PROSKIN SOLUTIONS

Proskin Solutions' latest brand OZiDEX is the newest addition to the Ungex family and is a leading Australian company engaged in the production and export of skin and hair self-care products. While our headquarters are located in Melbourne, Australia, we have established a strong presence all over the world.

OZiDEX's mission is to offer a non-drug-based formula that is safe, natural, and effective. Our commitment to health extends beyond just offering the product; we offer specific guidelines on product usage, lifestyle modification, personal hygiene, and avoiding cross-contamination – designed to bring about a holistic improvement in your skin and overall health.

WHAT IS PROCUTIN?

PROCUTiN is the pilot product launched under the OZiDEX brand and its advanced formula is specifically targeted towards sustainably reducing Demodex mite infestations for the long term. Spray on affected areas of skin and within the home environment to achieve maximum mite elimination benefits.
